

Intercept

PRACTICE  POLICY™

SUPPORTING INNOVATION TO ENHANCE FUTURE CARE IN PBC

www.interceptpracticetopolicy.com

**Intercept Pharmaceuticals welcomes applications to
the Europe and Canada *Practice to Policy*®
Health Awards Programme**

Between 8 May and 30 June 2017

APPLY ONLINE
www.interceptpracticetopolicy.com

Eligible projects

In 2017, Intercept is excited to offer grant support to local and national projects across Europe and Canada that empower patients with PBC and activate the community.

This includes:

- Helping patients with PBC understand and proactively engage in the management of their condition*
- Supporting carers/patients with PBC to manage fatigue*

*Initiatives can be aimed either directly to patients with PBC or Health Care Professionals

Eligible applicants

- Healthcare organisations
- Academic institutions
- Policy organisations
- Patient organisations
